## **Your cooperation is necessary for smooth and timely lessons**

We are committed to offering organized and timely lessons programs, but we do need participation and cooperation from all parents with respect to the following points. This will ensure all lessons commence on time.

### **Meeting place and pick up of lesson cards**

On the first day of the selected lesson program you will need to go to the main lodge to pick up the child's lesson card. There will be a registration area in the lodge, simply look for the signs directing you there. Please note on the first day of the program it may take about 30 minutes to get the lesson cards. Therefore we recommend you arrive 1 hour and 30 minutes early on the first day of the program and 45 minutes early for all other lessons.

### **Please arrive early**

With children and ski equipment, it can take up to 10 minutes to get from your car to the main lodge and another 10 minutes to get to the lesson meeting point. Please plan ahead and allow more time if you need time to dress the children or collect rental equipment. We recommend you arrive 45 minutes early each lesson day.

### **If you need rental equipment:**

Please fill out the necessary info on the registration sheet and ensure it is correct for each child. Please arrive 1 hour and 30 minutes early on the first day of the program and 1 hour early on the following lesson days.
